

MORE THAN JUST FUN

How To Squeeze More Value From Your Programs

An Outrageously Fun Professional Development Workshop for Teachers, Outdoor Educators & Recreation Staff

- ✓ Learn stacks of **new activities** which build confidence, team-skills & well-being
- ✓ Learn how to **engage your 'students' immediately**
- ✓ Explore **critical 'soft-skills'** to improve your group & activity leadership
- ✓ Bonus subscription to access **220+ group games & activities** online

Mark Collard, one of Australia's foremost adventure educators, author of two top-selling activity books & international Project Adventure trainer, is coming to the Browne Center for one day only.

UNH Browne Center
Friday 26 July 9:00am-4:00pm

Early-bird Registration only \$97

(after 30 June - \$127)

Nothing beats direct experience, and that's what Mark offers in this innovative, fun and activity-based one-day workshop.

Specifically designed for teachers and experiential educators, this workshop will invite you to play, share, trust and learn, ultimately **inspiring** and **equipping** you to squeeze more than just fun from your programs. Ideal for novice and experienced practitioners.

Mark **guarantees** that his workshop WILL be one of the **best & most enjoyable** professional development programs you'll ever do! Or, you don't pay.

At a glance, Mark will...

- **Present a series of highly successful group activities** that have universal appeal, require few if any props, and relate directly to key learning outcomes;
- **Model a simple yet powerful program philosophy** that is proven to foster a safe learning environment & can be used with almost any group;
- **Explore critical program design and facilitation (soft) skills** such as how to engage your students immediately, the value of sequencing, the power of injecting large doses of FUN into your programs, etc; and
- **BONUS:** Receive a complimentary subscription to playmeo.com (valued at \$47) & gain unlimited access to the **world's largest online database of group activities** for 12 months after the workshop.
