

## youth & student adventure programs

The Browne Center works with a variety of youth and student populations to promote learning and personal growth in participants. With a long history of working with schools, The Browne Center has developed a year-long curriculum with a focus on social and emotional learning. Whether a year-long “in-school” implementation or a “peak day” at The Browne Center challenge course, our programs develop:

- Team Development and Community Building
- Positive School Climate
- Social Emotional Learning
- Empathy and Bullying Prevention
- Diversity and Inclusion

*Programs can be scheduled seven days a week, year-round.*
